MINISTRY OPPORTUNITIES

Help Stamp Out Hunger: On May 8th letter carriers in more than 10,000 cities and towns across America deliver much more than mail when they walk and drive along their postal routes. They also collect the goodness and compassion of their postal customers who participate in the NALC Stamp Out Hunger National Food Drive – the largest one-day food drive in the nation and probably the world.

Carriers collect non-perishable food donations left by mailboxes and in post offices and deliver them to local community food banks, pantries and shelters. Nearly 1,500 local NALC branches in all 50 states, the District of Columbia, Puerto Rico, Guam and the Virgin Islands are involved in the drive.

Post Offices in Highland County are asking particularly for canned fruits and vegetables. **All food collected in Highland County will be donated to food pantries in Highland County.**

GNG University is Coming Back! The third semester of GNG University is coming back this summer. GNG University is simply where the “**family teaches the family.**” Last year’s classes included Bible study classes, painting classes, “family” trips, cycling, landscaping and much more.

Everyone has a skill or hobby that they can share and that is what GNG U is all about. We are currently looking for university “professors.” If you have a skill, talent or hobby that you would like to share with others at GNG, please e-mail us or call the church office 393-5383. The class catalog will be out on May 9th!

RECORDING MEMORIES GNG is looking at starting a new ministry called “Recording Memories...Passing On The Story”. The goal of this ministry is to record stories that are being forgotten either through the passage of time or through debilitating diseases like Alzheimer’s. Participant’s stories will be recorded and copies distributed to their families. We are looking for people to help administrate the ministry and to edit & duplicate the recordings. If you are interested, please contact the office at 393-5383.

ATTENTION SENIOR ADULTS

Have spring cleaning to accomplish? Need help putting in that flower bed? If you are a Senior Citizen who would like assistance around the house or yard, GNG’s Singles Serving the Savoir LIFE Group would love to help. Please contact Margot Ayers at 937-393-4209 to discuss the project.
