RECORDING MEMORIES GNG is looking at starting a new ministry called "Recording Memories...Passing On The Story". The goal of this ministry is to record stories that are being forgotten either through the passage of time or through debilitating diseases like Alzheimer's. Participant's stories will be recorded and copies distributed to their families. We are looking for people to help administrate the ministry and to edit & duplicate the recordings. If you are interested, please contact the office at 393-5383.

ATTENTION SENIOR ADULTS

Have spring cleaning to accomplish? Need help putting in that flower bed? If you are a Senior Citizen who would like assistance around the house or yard, GNG's Singles Serving the Savoir LIFE Group would love to help. Please contact Margot Ayers at 937-393-4209 to discuss the project.

GNG University is Coming Back! The third semester of GNG University is coming back this summer. GNG University is simply where the "family teaches the family." The Class Catalog and Registration Forms are available at the Information Table. Some class sizes are limited, so sign-up today!
